

Summer Learning Bingo

www.zoiehoffman.com

Design and create a board game, and then play it with your family.

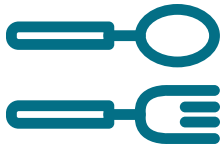

Go to a museum.

Read a book that's out of your comfort zone.

Do a science experiment.

Help your parents cook a new recipe.

Write a letter to a relative or friend who lives far away.

Practice math facts with sidewalk chalk.

Make a lemonade stand and sell refreshments to your neighbors.

Write a book or short story.

Plant something.
*Make sure to read about the conditions the plant needs.

Take a trip to the library.

Build something with legos, wood, or blocks.

Make goop or slime.

Write a math word problem about your family..

Help write the grocery list.

Read to a sibling or stuffed animal.
